

# MAKE YOUR OWN KIND OF MUSIC

[Verse 1]

Nobody can tell ya  
There's only one song worth singing  
They may try and sell ya  
'Cause it hangs them up  
To see someone like you

[Chorus]

But you gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along

[Verse 2]

You're gonna be nowhere  
The loneliest kind of lonely  
It may be rough goin'  
Just to do your thing's the hardest thing to do

[Bridge]

So if you cannot take my hand (Take my hand)  
And if you must be going, I will understand

[Chorus]

But you gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along

# CIRCLE OF LIFE

Ingonyama nengw' enamabala (x9)

From the day we arrive on the planet  
And, blinking, step into the sun  
There's more to see than can ever be seen  
More to do than can ever be done  
There's far too much to take in here  
More to find than can ever be found

But the sun rolling high  
Through the sapphire sky  
Keeps great and small on the endless round

It's the circle of life  
And it moves us all  
Through despair and hope  
Through faith and love  
'Til we find our place  
On the path unwinding  
In the circle  
The circle of life

# EASY

I know it sounds funny  
But I just can't stand the pain  
Girl I'm leaving you tomorrow  
Seems to me girl  
You know I've done all I can  
You see I begged, stole  
And I borrowed

Ooh, that's why I'm easy  
I'm easy like a Monday morning  
That's why I'm easy  
I'm easy like a Monday morning

# I WANT TO DANCE WITH SOMEBODY

Clock strikes upon the hour  
And the sun begins to fade  
Still enough time to figure out  
How to chase my blues away

I've done alright up 'til now  
It's the light of day that shows me how  
And when the night falls  
The loneliness calls

Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody (dance)  
With somebody who loves me  
Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody  
With somebody who loves me

I've been in love and lost to my senses  
Spinnin' through the town

Sooner or later, the fever ends  
And I wind up feelin' down

I need a man who'll take a chance  
On a love that burns hot enough to last  
So when the night falls  
My lonely heart calls

Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody (dance)  
With somebody who loves me  
Oh, I wanna dance with somebody  
I wanna feel the heat  
Yeah, I wanna dance with somebody  
With somebody who loves me

Somebody who loves me, yeah  
(Somebody who, somebody who)  
To hold me in his arms, oh

I need a man who'll take a chance  
On a love that burns hot enough to last  
So when the night falls  
My lonely heart calls (oh)

Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody (dance)  
With somebody who loves me  
Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody  
With somebody who loves me

Ooh, ooh (dance)  
Come on, baby (dance)  
Woo, yeah (dance)

Now get with this, whoa (dance)  
Don't you wanna dance (dance) with me, baby?  
Don't you wanna dance (dance) with me, boy?  
Hey, don't you wanna dance (dance) with me, baby?  
With somebody who loves me  
Don't you wanna dance? Say you wanna dance  
Don't you wanna dance?  
Don't you wanna dance? Say you wanna dance  
Don't you wanna dance?  
Don't you wanna dance? Say you wanna dance  
Uh-huh  
With somebody who loves me  
Ooh  
Ooh, ooh  
Ooh, ooh  
Hey, baby  
Don't you wanna love me? Don't you wanna love me?

# THE ACCESS ALL AGES MAIN SONG

Na na na naaaaa, na na na naaaaa,  
Na na na naaaaa, na na na naaaaa,

Will you sit by me, let go of your fears and sing in empathy,  
Will you talk to me? Tell me stories of where you have been?  
I've seen sunshine, I've felt rain, next to you we'll build a better place  
In the moments in between I feel the world on my back do you see?

That I'm more than a parent, more than my age, more than a  
teacher, I am more than today,  
I am more than retired, more than a name, more than a child with a  
future to save.

One step two minds, let us dream together coz' it's all in our hands,  
Reach out and stand by me, together we are so much more than  
we thought we could be.

Na na na naaaaa, na na na naaaaa x3

Will you sing with me, let us fly through the major and the minor  
keys  
Fight for harmony, Open your eyes to a world that is more

More than work, more than rent, more than the choices made in  
parliament  
We are free to want more, we've got freedom to feel, freedom to  
love, freedom to heal.

One step two minds, let us dream together coz' it's all in our hands,  
Reach out and stand by me, together we are so much more than  
we thought we could be.

Na na na naaaaa, na na na naaaaa, so much more than we thought  
we could be  
Na na na naaaaa, na na na naaaaa, so much more than we thought  
we could be

# DON'T STOP ME NOW

Tonight, I'm gonna have myself a real good time  
I feel alive  
And the world, I'll turn it inside out, yeah  
I'm floatin' around in ecstasy  
So don't stop me now  
Don't stop me  
'Cause I'm havin' a good time  
Havin' a good time

I'm a shootin' star, leapin' through the sky like a tiger  
Defyin' the laws of gravity  
I'm a racin' car, passin' by like Lady Godiva  
I'm gonna go, go, go, there's no stoppin' me

I'm burnin' through the sky, yeah  
Two hundred degrees, that's why they call me Mister Fahrenheit  
I'm travelling at the speed of light  
I wanna make a supersonic man outta you

Don't stop me now  
I'm havin' such a good time, I'm havin' a ball  
Don't stop me now

If you wanna have a good time, just give me a call  
(Don't stop me now) 'Cause I'm havin' a good time  
(Don't stop me now) Yes, I'm havin' a good time  
I don't wanna stop at all, yeah

I'm a rocket ship on my way to Mars on a collision course  
I am a satellite, I'm out of control  
I'm a sex machine, ready to reload like an atom bomb  
About to oh, oh, oh, oh, oh, explode

I'm burnin' through the sky, yeah  
Two hundred degrees, that's why they call me Mister Fahrenheit  
I'm travellin' at the speed of light  
I wanna make a supersonic woman of you

(Don't stop me, don't stop me, don't stop me) Hey, hey, hey  
(Don't stop me, don't stop me, ooh, ooh, ooh) I like it  
(Don't stop me, don't stop me, hey, alright) Have a good time, good time  
(Don't stop me, don't stop me) Woah  
Let loose, honey, alright
